MANITOBA'S NEWEST ESCAPE GAME EXPERIENCE

WILDERLAND
ESCAPE BOX ADVENTURES

WHAT IS AN ESCAPE GAME?

Interactive Adventure Experience

Escape Games are thematic story driven experiences where you work as a team to find clues and solve puzzles using problem solving skills, logic, and patience.

Follow the Clues and Solve the Puzzles

Each game has unique items and puzzles based on the theme. You must use the given information to find clues and solve the puzzles in order to succeed.

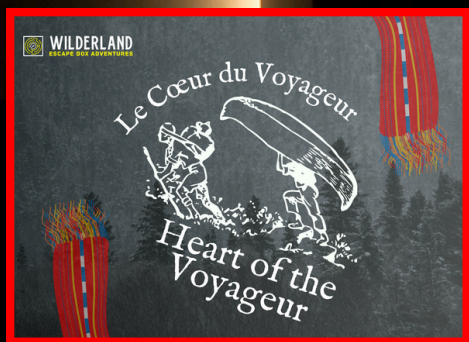

The Clock is Ticking!

You'll be racing the clock to finish within the designated time limit, as well as competing against other teams.

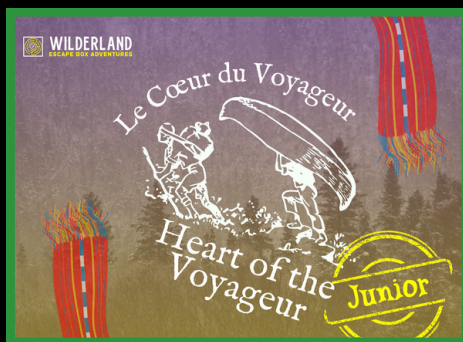

Based in Winnipeg, we are Manitoba's first fully mobile escape game play experience. Using themed ESCAPE BOXES, we facilitate fun and exciting GROUP EVENTS at any venue, indoors or outside!

For groups up to 50 players at a time, you work through a dynamic and immersive adventure game experience as a standalone event or part of your larger Wilderland Adventure Co. program.
