

Parents & Legal Guardians of Minors must agree to and sign this agreement before their child participates in any Wilderland Adventure Company trip, course, or event.

In consideration for the opportunity for my child to participate in an educational and recreational outdoor event such as camping, canoeing, hiking, winter, or teambuilding activity in the context of a skills lesson, multi-day trip, training course or related activity known as an "Outdoor Adventure Experience", I HEREBY ACKNOWLEDGE, APPRECIATE, AND AGREE THAT:

I am aware that participation in the Outdoor Adventure Experience involves risks, dangers and hazards including, but not limited to: rolling over or sinking of the vessel, whether intentional or unintentional; water currents, swells, waves, water/wetness, debris, cold weather, cold water, lightning or other natural forces; camping, animal attacks, portaging or other similar activities such as but not limited to general land activities that involve walking/hiking around before, during or after the Outdoor Adventure Experience on uneven ground, slippery rocks, or varied terrain; my child's negligence or the negligence of others.

I am aware that the risk of injury from the activity and equipment used in the Outdoor Adventure Experience, swimming and related land and water activities is significant and includes the potential for broken bones, drowning, injuries related to exposure to natural elements, contagions and man-made pollutants, severe injuries to the head, neck and back, or other bodily injuries that may result in permanent disability or death.

I have reviewed with my child the importance of being safe while participating in the Outdoor Adventure Experience including wearing a personal flotation device at all times while in a canoe or on a stand-up paddle-board and following the rules and directions of Wilderland Adventure Company guides/instructors and other associated staff.

I accept the fact that Wilderland Adventure Company and it's Releasees cannot guarantee my safety on their trips, courses and events.

My child does not have any health conditions which would prevent him/her from participating in the Outdoor Adventure Experience.

I give my permission to Wilderland Adventure Company guides/instructors to provide medical care or arrange for medical care to be provided to my child during the Outdoor Adventure Experience, should they deem it appropriate. I understand and agree that I am fully responsible for all costs of medical care including rescue, provided to my child, arising from the Outdoor Adventure Experience.

I hereby confirm that I have read and understood this document prior to signing it and agree that this document will be binding upon me, my heirs, executors and assigns.
